Dear Consortium members -

As we discussed at our last Consortium meeting, LADWP really would like to get feedback on their program from our businesses. Please help them by forwarding the attached survey to your stakeholders. Following is the information:

Since 2002, the Los Angeles Department of Water and Power (LADWP) has been offering customers a utility infrastructure Loan (UIL) to assist them in funding projects related to water conservation, energy efficiency, solar energy, and general utility infrastructure. As part of a renewed drive to improve our programs, products and services, we are currently evaluating the UIL to determine whether to change, improve, or even discontinue the program.

Your feedback is, therefore, extremely important to us. Please let us know what you think by completing this [Quick Survey](#) . Thank you for your time.
